

Chronological Activity Development under NLRMP-Haryana

S. No.	Date	Description
1.	05/02/13	Meeting with Additional Secretary DOLR at Hyderabad.
2.	04/02/13	FCR registration NLRMP status note and press note with revenue to progress report.
3.	01.02.2013	A Meeting with FCR in Chandigarh.
4.	21-25 Jan, 2013	Attend the International Conference in Hyderabad. Lecture of NLRMP Haryana success story on account of HRIS Data methodology.
5.	11.01.2013	A Meeting in Delhi. All IGR registration of land demarcation and its Revenue system with Geo-system and life of hard copy of demark with section DOLR.
6.	07-09 Jan.2013, 15.01.2013	<p>A Division wise meeting on NLRMP project under the Chairmanship of the worthy Additional Chief Secretary & financial Commissioner Revenue in Chandigarh.</p> <p>Ambala Division : January 07, 2013 Hisar Division : January 08, 2013 Rohtak Division : January 09, 2013 Gurgaon Division & absentee : January 15, 2013</p> <p>officers in previous meetings</p> <p>Division wise meetings on Haryana Land Records Modernization Program being taken up by HARSAC under NLRMP were held on the dates indicated above to develop a better coordination between different departments and vendors involved in the project and streamline and speed up the activities of the project.</p> <p>At the outset Sh. Krishan Mohan, IAS, Additional Chief Secretary and FCR Haryana apprised the participants of the purpose of these meetings. Sh. P.K. Das, Principal Secretary, Science and Technology, Haryana and Chairman HARSAC described in brief the scope and methodology of the project. He also indicated the roles and responsibilities of all the agencies involved in the project as per the project implementation guidelines. After elaborated discussion and quarries by different Deputy Commissioners and other officers in the above four meetings.</p> <p><u>Points of Discussions & Decisions:</u></p> <ol style="list-style-type: none"> 1. Updation of mussavies on the hardcopy prints with filling of Annexure 11-B and 11-C. 2. List of missing/ damaged mussavies should be prepared by concerned patwaries within two weeks. 3. Concerned vendor and HARSAC would organize a workshop at each district in coordination with concerned DRO to apprise the patwaries as regard updation of mussavies and compilation of Annexure 11B and 11C required under the project 4. As already requested by HARSAC the monuments/ survey markers established on the Primary and Secondary Control Points should be got notified through a gazette notification by DLR. 5. Work of installation of Tertiary/ Auxiliary points in different districts is in progress by all the four vendors. Respective DCs/ DROs should ensure the

		<p>presence of concerned village patwaries at the time of installation of these points</p> <p>6. Respective DROs should call a weekly review meeting of the project with concerned Tehsildar, Kanungo and Vendors. The proceedings of meeting are sent to DC, DLR and HARSAC.</p> <p>7. Looking into the intricacies in the execution of the project, it was decided to extend the date of completion of the project until 31/12/2013. However, all the agencies involved in the project (Vendors, Revenue Department, HARSAC and NIC) should work hard to meet the time targets for this prestigious project.</p> <p>8. Since Pan India Ltd. Gurgaon, who was assigned the work for Hisar district, has refused to take up the partial work, it was decided that HARSAC may complete the Hisar district work at its own level on actual cost basis. HARSAC may outsource the part of the work for which facilities are not available with HARSAC. Required contractual manpower may also be recruited by HARSAC for the project period to complete the work.</p>
7.	17-12-2012	A Meeting in Chandigarh.
8.	04-12-2012	NABARD team of Chandigarh visit to NLRMP Project in HARSAC
9.	04-06 Dec. 2012	A Meeting in Bhopal.

11.	04-10-2012	The Revenue Minister Mr. Ambika Choudhary of Uttar Pradesh with team members visit to NLRMP Project in HARSAC.
12.	07-09-2012	<p>A Jalse-e-Aam was organized at Naloi village, District Bhiwani by District Administration Bhiwani, HARSAC and NIC, Hisar jointly for direct interaction of officials with villagers, under the chairmanship of Chief Secretary DOLR & MoRD Mrs. Anita Choudhary (IAS).</p> <p>Ms. Anita Chaudhary IAS described the importance of land records and protection the right ownership to the villagers. She told that Haryana has most advanced revenue system due to consolidation also said that people of Haryana have great affection with their Land.</p> <p>Some questions were also raised by villagers regarding measurement of their land.</p>
13.	06-09-2012	<p>A Two days National Workshop on NLRMP under the chairmanship of Chief Secretary DOLR & MoRD Mrs. Anita Choudhary (IAS.), Organized at Haryana Space Applications Centre (HARSAC), Department of Science and Technology, Haryana and organized by Department of Land Records, Ministry of Rural Development, Govt. of India. It was attended by state officers of Revenue Departments from different States and Union Territories.</p> <p>Sh. P.K. Das, IAS told that HARSAC, a spatial data handling agency of the state, has undertaken this NLRMP project for Haryana State under the direction of State Revenue Department. This Project has given us an enormous opportunity of creating a database at individual field level. We have done work on computerization of land records and other stats might have done work on it.</p> <p>Mrs. Anita Chaudhary initiated the need of NLRMP at state level for better management of land records available with various departments. More than 60% of our dispute in court in India is related to land, it may be due to the under pricing of land or forcefully grabbing of land. NLRMP as a</p>

		<p>National Programmed is being implemented by the department with all state Govt. Departments. It can only be achieved by Geo-spatial technology through this technology; we can combine both Spatial and non-spatial data and can reach at an acceptable accuracy.</p> <p>Dr. R.S. Hooda, Chief Scientist, HARSAC told that how the NLRMP project being implemented by HARSAC in Haryana was initiated.</p> <p>Dr. Sultan Singh, Project Coordinator NLRMP told about the process involved in methodology of the NLRMP project. The Revenue system of Punjab and Haryana is vector based having a definite dimension of land area. He also Told HARSAC has installed 121 primary control points, 689 secondary control points and about 20,000 tertiary control points in state. A representative of world bank presented a theme on Land Governance Assessment Framework methodology of surveying techniques being using by different countries.</p>
